#### 2. Public Participation Instructions for Zoom

**Virtually by Computer:** If you are currently utilizing a computer to participate, you would click the **“Raise Hand” button** on the bottom of the screen. This will place you in a queue that I can see for when it’s time to take public comments. People are sorted in the order they raised their hands. When I call on you, a message will pop-up asking if you want to unmute yourself. If you choose to move forward and place a public comment or question, choose to unmute, if you have changed your mind then choose deny.

**Telephonically by Phone:** If you are dialing in tonight on your phone, to **“raise your hand” dial \*9** to be placed in the queue. When called on, the system will ask you to confirm being un-muted to proceed.

Once called, I will ask you to please state your full name and address into the record, then please feel free to make your comment or ask a question. You will remain unmuted while the governing body responds. Please make sure there is no background noise such as the T.V. on, music or loud chatter.

When public comments are finished, participants will be placed back on mute for the duration of the meeting.
